Approved as an Association of Christian Schools International (ACSI) Continuing Education Unit Provider.

A Message from the Office of the President

Antioch College is all about “Cultivating the Call” in people’s lives. Ephesians 2:10 says, that we are “God’s workmanship created in Christ Jesus to do good works.” Our mission at Antioch College is to prepare people for the work God has created them to do. You’ll find Antioch College to be...

PASSIONATE

At Antioch College, we strive to create an atmosphere where students can grow into passionate followers of Jesus Christ. That environment includes weekly chapel services, small groups, and personal interaction with instructors.

PRACTICAL

Students don’t have to wait until they graduate to put what they learn into practice. Through Christian service, practicums, and internships, students have a variety of experiences to help them learn by doing.

PURPOSEFUL

Everything we do at Antioch College is about cultivating the call to ministry. As such, our curriculum focuses on ministry-related courses and programs. Many of our faculty are pastors of local churches and bring this pastoral experience into the classroom. Our prime mission is to cultivate your call into Christian ministry!

Please visit our website at www.antiochcollegeag.edu. If I can assist you in any way, please don’t hesitate to contact me at rrhoden@antiochcollegeag.edu. We look forward to serving you at Antioch College.

Dreaming Together,

Dr. Rob Rhoden
President Antioch College

Introduction

The Antioch College Story

Bethel Bible Institute (BBI) was founded by Dr. John Mannion in 1996 for the purpose of training missionaries and church leaders. Pastor Ron Johnson, who was a sectional presbyter with the Potomac District, assumed the presidency. By 1997, BBI was approved by the Potomac District of the Assemblies of God as a training institute to provide the educational requirements for credentialing ministers at the certification and licensing level with the Assemblies of God.

In 1998, Rev. Stuart Ross was appointed as director to lead the school for training pastors, evangelists, missionaries, Christian education workers, and lay ministers. Rev. Ross was instrumental in positioning the school for the training of Hampton Master's Commission students and local pastors.

In 2002, Pastor Ron Johnson appointed Dr. Terry Minter as President of Bethel Bible Institute. Pastor Johnson and Dr. Minter envisioned a four-year college and began the transition from a Bible Institute into a college that awards both bachelor and associate degrees. In 2005, Bethel College was incorporated in the Commonwealth of Virginia as a non-profit corporation (501(c)(3) and was certified to operate as an in-state, non-profit college by Virginia. In 2013 Bethel College was granted accreditation by The Association for Biblical Higher Education (ABHE), 5575 S. Semoran Blvd., Suite 26, Orlando, FL 32822-1781, 407-207-0808.

In 2006, Bethel College moved into a new facility with a new library and several new classrooms to be shared with Bethel Temple Church. In May 2017, Dr. Mark Wootton became the third president of Bethel College. In March 2019, Dr. Ron DeBerry was appointed by the board as the Interim President. In November 2019, Dr. Rob Rhoden became the president of Bethel College. Soon afterward the college changed its name to Antioch College of the Assemblies of God and established an increased relationship with the Potomac Ministry Network.

Location

Antioch College is centrally administered in northern Virginia at the Potomac Ministry Center. It has connection with local churches, called Partner Sites, where students can experience community, spiritual formation, practicums, and Christian service. Antioch College currently has on-campus courses at one Partner Site, Bethel Temple Church, Hampton, Virginia.

Mission Statement

With a student-first philosophy, Antioch College exists to cultivate the ministry call of Christian men and women to fulfill their destiny through sound Biblical education and leadership development.

Philosophy of Education

Antioch College intends for students to leave the school with the character evident of mature Christians and excellent academic training. Antioch College is able to provide comprehensive theological training, as well as the excellent practical tools necessary to equip students for a maximized ministry and life experience. It is the desire of Antioch College for each student to experience both the spirit of local church engagement and the academic training of the college.

Our delivery model is best described as online education in the context of community. Students simultaneously enjoy the freedom of digital access as well as the benefits of face-to-face interaction with peers. This learning synergy takes place at our Partner Sites. Students are actively involved, learning,

and serving at a Partner Site, where mentoring relationships between students and Partner Site leaders are established.

Governance

Antioch College is a not-for-profit, private college governed by a constitution and bylaws providing the basis for institutional administration and governance. A Board of Control exercises legal and fiduciary responsibility for oversight of institutional integrity, policies, resource development, and ongoing operations. The President of the college provides administrative leadership for the institution. The President has an administrative staff who provides guidance and oversees the day-to-day operations.

The school offers the following concentrations:

- Biblical Studies (on campus and online)
- Ministerial Leadership (on campus and online)
- Ministerial Leadership (with Children's Ministry focus) (on campus and online)
- Ministerial Leadership (with Youth Ministry focus) (on campus and online)
- Intercultural Studies (on campus and online)
- Worship & Worshipping Arts (on campus and online)
- Christian Counseling (on campus and online)

All students are required to complete core courses in general education and religion in order to provide well-rounded training. This structure allows students to achieve broad academic and practical outcomes that are important in every aspect of ministry.

Statement of Faith

Faith in God should be understood and talked about knowledgeably. The leadership and faculty of Antioch College offer these articles to represent our faith commitment.

- I. We believe the Bible is the inspired, infallible, and authoritative written Word of God.
2 Timothy 3:15-17; 2 Peter 1:21
- II. We believe there is One God, eternally existent in three Persons: God the Father, God the Son, and God the Holy Spirit. *Deuteronomy 6:4; Matthew 28:19*
- III. We believe in the deity of our Lord Jesus Christ, His virgin birth, His sinless life, His miracles, His vicarious and atoning death, His bodily resurrection, His ascension to the right hand of the Father, His personal future return to this earth in power and glory to rule a thousand years. *Matthew 1:23; Philippians 2:9-11*
- IV. We believe in the blessed hope - the rapture of the Church at Christ's coming.
1 Thessalonians 4:16-17; Titus 2:13
- V. We believe the only means of being cleansed from sin is through repentance and faith in the precious blood of Christ. *Romans 3:22-26; Ephesians 1:7; 1 John 1:9*
- VI. We believe regeneration by the Holy Spirit is absolutely essential for personal salvation.
Luke 24:49; Acts 1:4,8
- VII. We believe in water baptism by immersion. *Matthew 28:19; Mark 16:16*
- VIII. We believe the redemptive work of Christ on the cross provides healing for the human body in answer to believing prayer. *Isaiah 53:4, 5; James 5:14-16*

- IX. We believe the baptism in the Holy Spirit, according to Acts 2:4, is given to believers who ask for it. *Corinthians 12:4-10, 28*
- X. We believe in the indwelling and sanctifying power of the Holy Spirit who enables the Christian to live a holy life. *Romans 8:11-13; 2 Thessalonians 2:13; 1 John 5:18*
- XI. We believe in the resurrection of the saved to everlasting life and the lost to everlasting damnation. *Matthew 25:46; Revelation 20:11-15*

Christ-Honoring Conduct

Students, faculty, and staff of Antioch College are expected to maintain high standards of Christian conduct both on and off campus. Morally and biblically, certain practices are clearly wrong and should be avoided. These include substance abuse, stealing, slanderous or profane language, dishonesty, occult practices, addictions (mutilation, sexual addictions, eating disorders, drug addiction-both illegal and prescription), and sexual sins (premarital sex, adultery, pornography, and homosexuality). Attitudes such as greed, jealousy, pride, lust, bitterness, needless anger, an unforgiving spirit, discrimination, and prejudice are unacceptable at Antioch College. However, if you find that you are genuinely struggling with such issues, we advise you to seek the counsel of a faculty member.

The Bible does not provide specific teaching on all social practices, but advocates self-restraint in behavior toward others. Therefore, any behavior that is considered detrimental to Christian character and witness is disapproved of strongly, and disciplinary action will be taken accordingly.

Institutional Goals

1. Provide a sound biblical, theological, and hermeneutical competence, which prioritizes the authority of the Bible as the inspired Word of God and results in "rightly dividing" the biblical text with a renewal theology emphasis.
2. Provide a general education program that will equip students with the written and oral communication skills necessary to excel both in ministry and professional areas.
3. Provide a general education program which will equip students with quantitative and technological skills; develop a general understanding of natural science, social science, and the humanities from a Christian perspective; and give the students a view of their responsibility as Christian scholars in both the local and global community.
4. Prepare Christian men and women professionally for ministry. Be a leadership development and resource center for Bible-believing churches and the community at large.
5. Provide academic support through faculty, curriculum, computer facilities, library resources, and student support services to ensure quality instruction and a challenging academic environment.
6. Provide an environment that supports and encourages students in their personal, social, spiritual, and cultural development.
7. Develop students who are committed to a lifestyle of spiritual growth, fellowship, prayer, worship, and Christian service.
8. Develop students who demonstrate an understanding of a biblical worldview that integrates faith with learning.

9. Prepare students for successful personal and professional life by providing opportunities for them to develop a personal mission statement including Christian core values and ethics that will shape their vocational goals and lifestyle choices.
10. Train students to comprehend and communicate biblical and theological truth and provide opportunities for students to participate in practical ministry within their respective communities.
11. Assess academic programs, academic support services, and institutional support services in a comprehensive systematic program that fosters continuous improvement.
12. Maintain efficient and effective administrative services and facilities to support all programs of the college.
13. Maintain sound financial management while focusing on programs and services vital to the mission of the college.
14. Optimize resources and generate revenue for and through programs, partnerships, donors, and grants.

ADMISSIONS

Admissions Policy

In accordance with our mission to prepare students spiritually, practically, and academically for professional and lay ministry, Antioch College's requirements for admission take into account each prospective student's relationship with Christ and His Church, calling to ministry, commitment to Christian service, and scholastic aptitude for post-secondary education. The application process requires the submission of documentation demonstrating the applicant's suitability/aptitude in each of these areas.

While maintaining high standards for admission to Antioch College, our admissions policy does not discriminate between prospective students based on race, color, nationality, ethnic origin, or gender. Antioch College does not discriminate against disabled persons who are otherwise eligible for admission to the college. Furthermore, all students granted admission have the right to participate in all programs and activities available to the student body.

Applications are accepted on a rolling basis for the fall, spring, and summer semesters, and are accepted as early as 12 months before the requested entry semester. To allow adequate time for processing, all applications should be submitted at least one month prior to the beginning of official registration. All applications should be directed to the admission office. Once Antioch College receives and processes an application, notification of status will be sent to the student. If accepted, the student will also receive an enrollment packet which will include additional required information for enrollment and registration.

General Admission Requirements

Prospective students applying to Antioch College must submit a completed Application for Admission and a non-refundable application fee.

The following requirements must be submitted for admission consideration:

Official high school transcripts or a high school equivalency diploma (GED) with test score;

OR

In lieu of high school transcripts, transfer students may submit official transcripts from any

accredited postsecondary institution attended;

AND

Any additional documentation requested by the admissions office.

Academic Requirements

The following requirements are designed to determine academic record and scholastic aptitude. All applicants must show that they have maintained a grade point average of 2.0, equivalent to a grade of "C".

Conditional Status

Students may be placed on conditional status if all requirements for full acceptance (all official and unofficial documents have not been submitted) are not fulfilled and approved by the Registrar. Conditional students cannot be enrolled in future classes until cleared by the Registrar.

Provisional Status

Students may be placed on provisional status if requirements for full acceptance (GPA at or above 2.0) are not met. The provisional status will be removed if the student achieves a cumulative GPA of 2.0 during the first semester of enrollment. If the provisional student does not achieve a cumulative GPA of 2.1 during the first semester of enrollment, the student will be subject to academic dismissal.

Home-schooled applicants

Home-schooled applicants must submit the following academic documentation in lieu of official high school transcripts:

1. Transcripts of all courses taken in grades secondary education reflecting the grades attained and the date of graduation;
2. A letter signed by the prospective student's parents indicating that all home-schooling standards required by the state in which the home schooling occurred have been met.
3. If these two submissions cannot be made, it will be necessary to obtain GED test scores.

International Students

International students must submit the following additional requirements:

1. A demonstration of reasonable mastery of the English language.
2. If English is not the prospective student's first language, it is required that the applicant takes the Test of English as a Foreign Language (TOEFL) unless a waiver is granted. A minimum score of 500 must be obtained, and an official report of this score must be forwarded to Antioch College before an admissions decision can be reached or other documentation to demonstrate mastery of the English language.
3. A valid passport and proper medical documentation are required for leaving the home country and for issuance of a student visa upon entering the United States.

*Due to additional requirements, international students should allow a minimum of one year to complete the admissions process.

Audit Students

Policy for Audit Students

An applicant applying for admission as an audit student must submit an application with the two reference forms along with payment of the application fee. No record of previous academic work is required for audit students. No enrollment fee is required. A record of classes audited will be maintained, but no academic credits will be granted. If a student later desires to be admitted as a regular student all admission requirements must be fulfilled.

Spiritual Requirements

All students must submit the following requirements, which are designed to demonstrate the applicant's faith, character, and involvement in ministry within the local church and community:

1. Two references, one pastoral and one personal
2. A written testimony of personal Christian faith and growth, ministry experience, expectations, and goals.

Admission Deposit Fee Requirement

Upon acceptance, students are required to submit a deposit to hold their place. This is non-refundable and will be applied toward the first semester's tuition. Refer to our website for the current tuition and fee schedule.

POLICIES AND PROCEDURES

Policy for Re-Admission

A student who has withdrawn from the college or has not enrolled for classes in a full year must apply for re-admission. Such students must submit the application fee, an application, both references, a letter explaining why he/she wishes to re-enroll, and official transcripts for any transfer credits earned in the interim. The student will be re-admitted with the same academic standing held when withdrawing from the college. All admissions requirements in effect at the time of re-enrollment must be met.

Nondiscriminatory Policy

Antioch College admits students of any race, color, nationality, or ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to students at the school. It does not discriminate on the basis of race, color, gender, handicap, national, and ethnic origin in administration of its educational policies, admissions policies, and other school-administered programs. The college reserves the right to withdraw a student for what it considers to be a necessary cause at any time.

Disclaimer Policy

The college reserves the right to make necessary changes without further notice. The regulations, courses, personnel and costs listed herein are subject to change after date of publication of this catalog through established procedures. In such cases, the college will attempt to communicate such changes to all students, faculty, and staff through written means. It is important that students familiarize themselves with the regulations set forth in this catalog and assume their proper responsibilities concerning the regulations.

Registration

Prior to registration, all requirements for admission or re-admission must be completed. Pre-registration may be available for returning students the final weeks of each semester. Official registration is held for all students three weeks prior to the start of each semester. Late registration is available during the add/drop period, but a late fee will be charged to all students registering during this time. All registration dates are posted on the official calendar.

Students Needing Additional Educational Support

Many times students needing additional educational support may be considered underprepared and need additional resources to enhance their educational success. Students will be evaluated during the admissions process prior to starting classes. Students identified as needing additional educational support should be referred to the Dean of Students. When students are identified during their admission process, the potential student can only be admitted on a *PROVISIONAL* basis.

Orientation

All first-time students are required to participate in orientation at the beginning of their first semester of enrollment. Orientation serves to assist students in adjusting to college life and includes an overview of policies, procedures, and services of the college.

Learning and Educational Resources

The Antioch College Minter Library provides an excellent learning resource for the college. The entire library staff is dedicated to supporting the academic mission of Antioch College by teaching and helping students discover how to access, evaluate, and ethically use information. The library houses over 14,000 items including books, e-books, and audio-visual materials. All materials are indexed in the library's internet-accessible library catalog. Over 100 research electronic databases are provided to support the major disciplines with thousands of full text scholarly journal articles and research documents. Additional sources are available through a fast and efficient interlibrary loan system. The library houses the Antioch College Writing Center and information to access various online writing resources.

Definition of Credit Hour

Federal Definition: All Antioch College courses must adhere to the Federal definition of credit hour. The Federal definition states that "A credit hour is an amount of work represented in intended learning outcomes and verified by evidence of student achievement that is an institutionally-established equivalency that reasonably approximates not less than:

- One hour of classroom or direct faculty instruction and minimum of two hours of out-of-class student work each week for approximately fifteen weeks;
- Or at least an equivalent amount of work as required in paragraph (1) of this definition for other activities as established by an institution, including laboratory work, internships, practica, studio work and other academic work leading toward the awarding of credit hours."

The Antioch College Equivalencies of the Credit Hour: The institutionally established equivalencies to the Federal definition of the credit hour at Antioch College are below.

1. Face-to-Face format (on-campus courses): For each semester hour of credit, classes that meet in a face-to-face format must include a 50-minute period with the instructor and two hours of outside class work for at least 15 weeks. 1 credit hour = 50 minutes contact + 120 minutes outside work over 15 weeks for a total of 2,550 minutes of student effort.
2. Distance Education (online courses): Credit hours awarded from courses taught via distance education or in some other non-traditional setting follow the same rules when determining the number of credit hours awarded. For each semester hour of credit, classes must include three hours of work per week for at least 15 weeks. The three hours include the interactions with faculty and other students in online discussion forums and other interactive formats and the additional course work required outside this interactive format. 1 credit hour = assignments equaling 170 minutes per week over 15 weeks for a total of 2,550 minutes of student effort.

Any off-cycle course (i.e., 8-week course) must be equivalent in both contact and outside work totals as a semester-length course.

Academic Advising

Students will be assigned an academic advisor in their concentration. Students who have not declared a concentration will be assigned an advisor from one of the departments. The academic advisor will assist the student in course selection and planning, as well as be available for advice at any time throughout the year. The academic advisor approves scheduling, but the student must assume responsibility for fulfilling all degree requirements. It is recommended that all students meet with their academic advisor prior to registration each semester.

Course Load

The full-time academic load is 12 credit hours per semester. Students should be aware that 12 credits per semester will require approximately five years for completion of a bachelor's degree. For a completion time of four years, students will need to take at least 16 credits per semester and/or attend summer sessions. A student on academic probation may only enroll for a maximum of 12 hours. Students are expected to work with their academic advisors to avoid scheduling problems and deficiencies.

Class Attendance

Students are expected and encouraged to attend on campus class regularly, and to engage in online courses regularly. No student shall be allowed to pass a subject if the total absences including excused and unexcused, exceeds three (3) classes per semester unless special waiver has been approved. Students should be aware that a failing grade may result upon missing the fourth class.

Course Add/Drop and Withdraw

A student may add or drop a class until Friday of the 1st week of each semester without financial penalties. Class withdrawal forms are available from the registrar's office. No student is allowed to change a class without completing the add/drop procedures. Withdrawal from a class will result in a withdrawal on the student's transcript. Failure to follow proper procedures when withdrawing from a class may result in automatic failure for that course.

Student Complaint Procedure

Students are encouraged to follow the Biblical principles found in Matthew 18 to resolve conflicts, concerns or complaints. Written complaints shall be responded to in writing within 10 days of receipt of the complaint. If the complaint is rejected, the student shall be notified of the reasons for the rejection. None of the student's rights or remedies shall be limited by participating in the complaint procedure. In addition, a student participating in the complaint process will not be subjected to retaliation or adverse action.

If the student is not satisfied with the outcome of this complaint process, they have the right to contact the State Council for Higher Education for Virginia (SCHEV), which provides a webpage for students who may have complaints against a college. If you are a resident of a state other than Virginia, you may also contact the office in your state for filing complaints against the college. Please contact the Student Affairs Office for further information. Student may also contact The Association for Biblical Higher Education (ABHE) 5575 S. Semoran Blvd. Suite 26, Orlando, Florida 32822-1781 Phone: 407-207-0808 to file a complaint against a college. The student complaint will follow these steps below:

1. Students will be encouraged to resolve the complaint themselves by speaking directly to the person involved. If no resolution can be made, then the student is encouraged to complete the next step.
2. Complete the Student Grievance Form (downloaded from the Student Forms page on the www.antiochcollegeag.edu webpage) and submit to the Student Dean. The administration will acknowledge receipt of the form to the student within 48 hours.
3. If necessary, a meeting will be set-up to include the parties involved.
4. If no resolution is achieved the complaint shall be transmitted to the President for review and resolution.

The Virginia State Approving Agency (SAA) is the approving authority of education and training programs for Virginia. This office investigates complaints of GI Bill beneficiaries. While most complaints should initially follow the school grievance policy, if the situation cannot be resolved at the school, the beneficiary should contact the SAA office via email saa@dvs.virginia.gov.

Withdrawal from College

A student must file written notice with the Registrar's office to officially withdraw from college. Failure to attend classes is not considered an official notice and could result in a grade of "F" for all courses in progress at the time the student ceases attendance. An official withdrawal is recorded after the student completes all exit interviews and surrenders the student ID.

Classification of Students

Year status Freshman: 1-31 semester hours completed; Sophomore: 32-64 semester hours completed; Junior: 65-97 semester hours completed; Senior: 98-130 semester hours completed.

Full-time status

Students carrying at least 12 hours per semester are designated as full-time students.

Part-time status

Students taking less than 12 hours per semester are part-time.

Audit Status

The definition of audit is to attend a class as a listener, completing no work and receiving no credit. Antioch College will permit audits subject to the following regulations:

1. The academic dean in consultation with the instructor grants the student permission.
2. Auditors do not receive grades or credits for classes attended but are eligible to receive continuing education units (CEU) as documented by a transcript.

Transfer of Credits

Antioch College accepts credits from the Advanced Placement Program (AP), the College Level Examination Program (CLEP), Military Education, and from other postsecondary institutions. Refer to the transfer credit policy on our website www.antiochcollegeag.edu for the most current information.

Grading Scale

Evaluation of Course Work

Percentage	Letter Grade	Points
100-98	A+	4.0
97-94	A	4.0
93-90	A-	3.75
89-87	B+	3.25
86-83	B	3.0
82-80	B-	2.75
79-77	C+	2.5
76-73	C	2.0

62-60	D-	.75
59 & below	F	0

To remain in good academic standing, all students are expected to maintain a minimum of a 2.0 grade point average. A student whose semester GPA falls below 2.0 will be placed on academic warning. A student whose semester GPA falls below 2.0 for the second consecutive semester will be placed on academic probation. If the student's semester GPA falls below 2.0 for a third consecutive semester and /or the cumulative GPA is below 2.0, the student may be placed on academic dismissal from the school and must wait for one semester before applying for readmission.

SPIRITUAL LIFE POLICY

Church Attendance

Antioch College supports and is committed to instilling the biblical concept of the local church into the school's framework. Thus, church attendance is mandatory for all with the expectation that students are actively engaged in their local services. Students involved with a Partner Site will attend the Partner Site church services and other spiritual activities as described by the Partner Site. Students not connected with a Partner Site will engage in practical ministry and spiritual development at a local church in their area.

Practicums

These connections and involvements at the Partner Sites or the local church will be documented through the Practicum programs. These Practicum programs are integrated into the curriculum and students receive spiritual mentoring as well as practical experience through the required Practicums. These Practicums have an element of spiritual development via local church involvement and mentoring from local church leaders. Refer to the Antioch College Practicum Manual for a detailed description of these mentoring elements.

FINANCES

Admission Deposit Fee

Payment for the admission deposit fee is due and payable at the time of acceptance.

Tuition and Other Fees

Payment for tuition and other fees is due and payable at the time of registration for courses. Payment may be in cash, check, credit card (MasterCard, Visa, or Discover), approved scholarships, or a combination of these methods.

Refer to our website www.antiochcollegeag.edu for the current tuition and fees schedule.

Textbooks

Textbook purchases are not included in Antioch College tuition and fees. Students will be responsible to purchase books from any source they choose.

Paying for College

Tuition and fee payments will be due prior to the first day of classes. Students who still have outstanding bills on the first day of the semester will not be allowed to attend classes unless special arrangements have been made with administration to pay the semester bill in full. Please note that even though special arrangements have been made with the administration, students who still have balances four weeks after the semester begins will be charged a 1% late fee (1% of balance remaining) each month thereafter until the bill is paid in full.

There are several options for paying for college; to name a few, there are Personal Funds, Private

Scholarships and Grants, Federal Grants and Loans as well as Private Loans. Please visit our website at www.antiochcollegeag.edu for information about paying for your college education. Applications for these additional resources can take several weeks to process so they need to be started at least twelve weeks before the semester begins. In fact, many private scholarships and grants have their own specific deadlines for application submission. It is imperative that students initiate financial applications along with their academic application in order to assure financial resources are available prior to the beginning of the semester.

Special Provisions for Veterans Administration Covered Individuals

A covered individual is any individual entitled to educational assistance under chapter 31, Vocational Rehabilitation and Employment or chapter 33, Post-9/11 GI Bill benefits. Covered individuals will be permitted to attend or participate in the course of education during the period beginning on the date on which the individual provides to the educational institution a certificate of eligibility for entitlement to educational assistance under chapter 31 or 33 (a certificate of eligibility can also include a Statement of Benefits obtained from the Department of Veterans Affairs' (VA) website – eBenefits, or a VAF 28-1905 form for chapter 31 authorization purposes) and ending on the earlier of the following dates:

1. The date on which payment from VA is made to the institution.
2. 90 days after the date the institution certified tuition and fees following the receipt of the certificate of eligibility.

Antioch College will not impose any penalty, including assessment of late fees, the denial of access to classes, libraries, or other institutional facilities, or the requirement that a covered individual borrow additional funds, on any covered individual because of the individual's inability to meet his or her financial obligations to the institution due to the delayed disbursement funding from VA under chapter 31 or 33.

Policy on Refunds, Credits, and Reinstatement as a Result of Military Service

Pursuant to 23-9.6:2 of the Code of Virginia, and corresponding State Council on Higher Education for Virginia (SCHEV) Guidelines, Antioch College of the Assemblies of God has developed this policy providing for the tuition relief, refund, and reinstatement of students whose service in the uniformed services has required their sudden withdrawal or prolonged absence from their enrollment. Service in the uniformed services is defined as service (whether voluntary or involuntary) on active duty in the Armed Forces, including such service by a member of the National Guard or Reserve, for a period of more than 30 days under call or order to active duty of more than 30 days. Antioch College AG shall provide for the following:

- a. **Tuition and Required Fees**
Should a student be ordered to active duty (for reservists) or be mobilized (active military) as described in the Code of Virginia, Section 23-9.6:2 and the State Council's Virginia Tuition Relief, Refund, and Reinstatement Guidelines and he/she requests to be withdrawn from the college after the ADD/DROP date, the student may elect either to be deleted from the registration file and be awarded a full refund or to be administratively withdrawn with no refund and assigned a grade of "W". This policy also applies to refunds of Student Activity fees and other fees to students.

Antioch College AG shall provide, at the option of the student refunds of deposits to be retained and to be applicable to tuition and fees charged in the semester or term in which the student returns to study.

- b. **Textbooks**
Antioch College shall process refunds for textbooks according to contractual arrangement

with vendors.

c. Academic Credits and Grades

Students who are called to active duty or are mobilized, meaning serving in the uniformed services, as described in Virginia Tuition Relief, Refund, and Reinstatement Guidelines, will have the opportunity to receive an incomplete grade ("I") until released from active duty (for reservists) or mobilization (for active military personnel). All course requirements shall be completed within one year from the date of release from active duty or mobilization.

Students may be given the option of taking their examinations prior to regularly scheduled times as an exception to Antioch College policy in accordance with the Virginia Tuition Relief, Refund, and Reinstatement Guidelines.

Careful consideration will be given and special options are available for students who receive student financial aid or Veterans Administration benefits.

d. Deposits

Antioch College shall provide, at the option of the student, deposits to be retained and to be applicable to tuition, or fees charged in the semester or term in which the student returns to study.

e. Reinstatement

Students who are called to active duty or are mobilized will be provided a reasonable opportunity to be reinstated in the same programs of study without having to re-apply for admission if they return to Antioch College after a cumulative absence of not more than five years so long as the student provides notice of intent to return to the institution not later than three years after the completion of the period of service.

f. Dissemination of Information

In accordance with the requirements of the Code of Virginia, Section 23-9.6:2, and the Virginia Tuition Relief, Refund, and Reinstatement Guidelines, Antioch College will make every effort to ensure that the aforementioned policies relative to tuition relief, refund, academic credit and reinstatement are well disseminated and carefully explained. Antioch College has designated the Office of Student Services as the office to ensure that these policies are properly disseminated and administered.

Institutional Policy on Refunds

A \$25 application fee, and the student activity fee are non-refundable; no refunds are given after the fourth week of classes. When refunds are given, it is preferred that they be given in the form of credit toward a future course(s). However, the student may elect to receive a refund check.

Refunds are pro-rated according to the following table:

- 1st week of the semester: 100%
- 2nd week of the semester: 50%
- 3rd week of the semester: 35%
- 4th week of the semester: 25%
- After the 4th week: 0%

*Refund policies for online students may differ depending on the state in which the student resides. Please contact the business office (757.826.1883 x236) for the refund policy for your state.

Class schedules for less than 15 weeks will follow the same schedule as above with adjustment being made for the compressed weeks of the session. The above table applies to all classes, including modulars, regardless of the actual start date of the class.

College Housing

Antioch College can refer students to housing options during their attendance at Antioch College. Any student desiring housing should contact the office for further information.

Returned Checks

A processing charge is assessed when a check is returned by the bank for any reason.

Code of Conduct

All students are expected to maintain high standards of Christian conduct both on and off campus. Morally and biblically, certain practices are clearly wrong. Students should abstain from such behavior. These include substance abuse, stealing, slanderous or profane language, dishonesty, occult practices, addictions (mutilation, sexual addictions, eating disorders, drug addiction-both illegal and prescription), and sexual sins (premarital sex, adultery, pornography, and homosexuality). Refer to the Student Handbook for additional information about the Antioch College Code of Conduct.

PROGRAMS OF STUDY

Antioch College offers three different programs of study (Diploma, Associate, and Bachelor) to prepare students for their chosen field of ministry. These programs not only equip students professionally, but also assist them in viewing academic and professional subjects in light of their Christian faith. Program objectives in each of these programs assist the administration in assuring that Antioch College maintains its stated objectives for preparing students with academic proficiency, practical ministry skills, and opportunities for spiritual maturity.

Ministry Formation Programs

Antioch College places high priority on providing opportunities for practical experience and training in the student's chosen career focus. Students in all three degree programs (Diploma, Associate, and Bachelor) are required to take ministry formation courses designated as internship and/or practicum courses in the degree plans.

Ministry Formation Programs Objectives Graduates from Antioch College will be:

- Capable of performing professional ministry functions at the introductory level
- Develop mentorship relationships with ministers actually engaged in the work of the ministry

Non-Degree Programs

Non-degree seeking students are individuals who wish to take advantage of coursework offered through Antioch College's accredited or non-accredited programs. These students are not interested in fulfilling the requirements for a degree from Antioch College but are interested in study for personal development and professional integrity.

Antioch College offers two ways to approach additional personal and professional development in a non-degree setting:

1. *Courses taken for academic credit.*

Students may be interested in taking specific courses being offered by Antioch College for college credit, even though the intent is not to work toward fulfilling the requirements for a degree. Students need to identify this approach in the application process. After acceptance into this non-degree program, students may register for any courses in which they are interested in order to enhance personal or professional goals.

2. *Courses taken for audit credit only.*

Students who are only interested in audit credit for courses should contact the admission's office for further guidance on applying for this specific program. After acceptance at the audit level, students may register for any courses in which they are interested in order to enhance personal or professional goals.

Student Insurance

Full coverage health insurance is not available through the college. It is recommended that each student review dependent health coverage (parental health insurance) to see if such coverage continues while the student is attending college. The college can suggest an insurance carrier that will offer primary or supplemental insurance coverage. The supplemental coverage is not full coverage but is designed to supplement an existing policy.

Federal Title IV Refund Calculation

For students who are eligible and/or receiving Federal Title IV funds, the college must calculate the percentage of federal aid a student has earned. This percentage is based on the number of calendar days attended versus the total calendar days for the semester. Once this percentage is calculated, it is used to determine the amount Federal Title IV aid that may be retained to cover prorated charges on a student's account. The college must return any unearned aid to the federal government on a timely basis. This percentage is also used to determine the prorated charges for the semester. This procedure will enable Antioch College to refund the maximum possible institutional charges. Students who withdraw who are neither eligible nor receiving Federal Title IV aid will be subject to the institutional refund policy only.

Order of Refund Distribution Prescribed by Law and Regulation (Total Refund and Repayment):

- Unsubsidized Federal Direct Stafford Loan
- Subsidized Federal Direct Stafford Loan
- Federal Perkins Loan
- Federal Direct PLUS Loan
- Federal Pell Grant

- Federal SEOG
- Federal ACG
- Other federal, state, private or institutional aid
